

Grand Wood

Warme Farben, lebendige Strukturen und der unverkennbare Charme klassischer Dielenböden machen einen Raum zu dem was er sein soll – einem Wohlfühlort. Daher ist noch immer der Trend nach keramischen Fliesen in Echtholz-Optik nicht gebrochen. Unsere Serie **Grand Wood**, die echten Holzdielen nachempfunden ist, kommt in zwei authentischen Großformaten und schenkt ihren Räumen ein behagliches, zeitloses Ambiente.

*Warm colors, lively structures, and the unmistakable charm of classic wood plank floors make a room what it should be - a place of well-being. For this reason, the trend for ceramic tiles with a realistic wood look is still going strong. Our series, **Grand Wood**, which is patterned on real wooden planks, comes in two authentic large formats and gives rooms a cozy, timeless ambience.*
